But without putting you in a bind, you and the Attorney and Kashmir administration General may seek instructions at the highest level. Is there a time frame in view?," Chief Jus-tice of India DY Chandrachud,

during the hearing on pleas challenging the Article 370

move.

Mehta told the bench, also comprising Justices S K Kaul, Sanjeev Khanna, B R Gavai and make a statement... Ladakh will remain a UT". During discussions on Par-liament's power to carve out

Surya Kant, that he will take instructions. He said he will show the statement made by the Union Home Minister on the floor of the House and the efforts being made to restore normalcy in J&K. Ols, the Cl₁ reterming to the SG's remarks that the UT sta-tus is not meant to be perma-nent, asked, "How imperma-nent is it? When are you going to have elections?". Although the SG did not give a time frame, he said, "I will show the steps taken to reach that stage."

"I will show the statement made on the floor and the efforts made. And the state-ment is once the efforts are fruitful and everything is nor-mal, then... after the situation

returns to normalcy, we want it to be a state again, he said.

After taking instructions, Mehta said the "instructions are that UT is not a permanent feature. I will make a positive statement the day after because the learned AG and I will make the around will want to the statement the day after because the learned AG and I will make the around will all meat personally and will be the statement the day after because the learned AG and I will meat personally and will be the statement the statement that the statement that

will show the steps taken to reach that stage."
The CJI also posed the question why Parliament should not be allowed to create a UT out of a state to meet national security challenges.
Delving into the history of creation of states like Manipur, Mizoram etc, the CJI said, "The creation of UTS... you have on one hand, examples like Chandigarh, carved out of Punjab, and remained a UT. It was part of a state and became a part of a state and became a UT... Then you have progres-sion where certain areas of existing states became UTs..."
